CHALLENGER & CHALLENGER X OPTIONAL EXTRAS

FACTORY FIT

Please note: Selected upholstery options within the Swift range* are interchangeable; however this will affect seating and cushion make ups. For full details and clarification please discuss with your dealer. The following optional extras are fitted at the time of manufacture of the caravan (subject to availability). Optional weights are included in the published MTPLM.

* Excluding Sprite and Sprite Super

AL-KO ATC trailer control

'Zinc' upholstery scheme (standard in Conqueror)

DEALER FIT

Please note: These options when fitted will reduce the payload that can be carried in your caravan. If a higher payload is required, then the MTPLM can be increased on certain models. Please consult your dealer for further details.

AL-KO Secure wheel lock

Wrap around front seating in addition to drawer chest

Weight plate upgrade (model dependent)

Cycle rack (Thule Elite G2 two cycle)

Roof mounted air conditioning (model dependent)

Yuasa YBX Active Leisure & Marine L36-100 - NCC Class C (model dependent)

Yuasa YBX Active Leisure & Marine L36-EFB - NCC Class B (model dependent)

Yuasa YBX Active Leisure & Marine L36-AGM - NCC Class A (model dependent)

ELEGANCE OPTIONAL EXTRAS

FACTORY FIT

Please note: Selected upholstery options within the Swift range* are interchangeable; however this will affect seating and cushion make ups. For full details and clarification please discuss with your dealer. The following optional extras are fitted at the time of manufacture of the caravan (subject to availability). Optional weights are included in the published MTPLM.

* Excluding Sprite and Sprite Super

'Coyote' upholstery scheme (standard in Challenger)

'Zinc' upholstery scheme (standard in Conqueror)

E & P hydraulic auto-levelling system
(comes with 100Ah Leisure Battery)

DEALER FIT

Please note: These options when fitted will reduce the payload that can be carried in your caravan. If a higher payload is required, then the MTPLM can be increased on certain models. Please consult your dealer for further details.

SPECIFICATION NOTES

MASSES: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.
