CREATING SMILES FOR LIFE

Make your staycation a

safe-cation

safe-cation

Where can we go to live, break free?
The country, coast, hill or sea?

A cocoon from which we can all emerge
To find new life, far from this scourge

A place away, we can call our own,
Our bubble, our safe, our protected zone

Where we discover adventures galore
And together learn to live once more

Our home from home, our precious space
A self-contained and private place

We now control our destination
On our perfect safe-cation

Swift. June 2020

Heavy duty rear chassis members ready for optional towbar, enabling flexible usage.

7

SMART construction, featuring timberless upper bodyshell and durable GRP outer skin.

8

Compartment for two 13kg gas bottles with butane/propane regulator and propane hose.

SMART CONSTRUCTION

SMART is the basis of our intelligent construction system used across our entire motorhome range. Strong, Modern, Aerodynamic, Resilient and Tested, you can be assured your Swift motorhome is a high quality, engineered product.

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern, desirable looks our motorhomes are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics, to help shape the bodyshell for better fuel consumption.

RESILIENT

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin, making the motorhome highly Resilient to moisture.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond, puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products.

HAIL RESISTANT GRP ROOF

Woven GRP outer surface provides greater durability from the elements.

GRP SIDEWALLS

Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and helping protect your investment for the future.

'SMART' GRP sidewall during the production process.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

KON-TIKI FEATURES

EXTERIOR

CHASSIS CAB

- Black metallic Fiat chassis cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- Euro 6D 160bhp, 2.3 litre engine with manual gearbox, Eco pack and ESC
 - ECO Pack: stop/start system, smart alternator and more efficient energy saving fuel pump
 - ESC: anti-slip regulation (ASR), roll over mitigation (ROM) and hill holder
 - 90L fuel tank and Ad-Blue based after treatment system with 19L tank
- Dashboard design with fully integrated factory-fit high level radio/MP3 player with DAB, sat-nav and Bluetooth, switch off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Bronze dashboard trim
- Cab air-conditioning
- Cruise control
- Leather steering wheel and gear knob
- Steering wheel controls with volume control and phone compatibility
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Heated captain chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
 - Position, height and rake adjustment
 - Swivels
 - Two armrests
 - Fully upholstered covers
 - Seat base surrounds
- ESC and hill-hold on manual and automatic gearboxes
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- LED swan neck reading lights
- Door pockets with bottle holders
- Central cup holder with dash-mounted slot for full width tablet, plus pocket for smartphone with USB port for charging and 12V socket

BODY AND EXTERIOR EQUIPMENT

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- VIN CHIP™ identification system concealed within construction to deter theft and aid quick recovery
- SMART construction with full GRP bodyshell:
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - Balanced panel 31mm sandwich side walls with GRP outer and inner skin
 - 44mm 'Sandwich' floor construction, with GRP outer skin, ply upper and high rigidity Styrofoam core
 - 31mm 'sandwich' construction hail resistant exterior GRP roof, fully bonded for extra strength and flatness, and GRP inner skin
 - Full height GRP rear panel with stargazer roof window, automotive style trim mouldings and S-Rim technology for a more aerodynamic profile.
- Integrated over cab GRP rooflines for a more aerodynamic and fuel efficient bodyshell
- Fiat/AL-KO double floor, wide track chassis, housing water tanks, plumbing, heating pipes and underfloor storage tray(s)

- 'Skyview' panoramic opening sunroof (635 low-line)
- High-line models feature large A-Class style aluminium framed, over-cab bed with ventilation feature for additional comfort
- Enhanced exterior graphics scheme coordinated with cab
- Strong extruded aluminium skirts
- Pull-out underfloor pannier locker for water hose and electric cable reels (not included)
- Exterior access doors for easier storage under seats/bed
- Large garage storage space with lowered chassis (625, 649 & 650)
- Garage door on both offside and nearside (635 & 675)
- Wide exterior door with concealed hinging system and secure 2-point locking, window, integral flyscreen, door retainer, bin and stepwell light
- Flush fitting aluminium-framed double glazed opening windows
- Stylish 16" alloy wheels
- Exclusive styled LED front marker lights
- LED side marker lights
- Exclusive rear LED light clusters
- Low energy LED exterior awning light (two on the twin axle models) and additional offside LED exterior light
- Swift Vision featuring colour side and rear view cameras (2 on rear and 1 on each side) allowing en-route use for improved 'all-round' driving viewing and additional rear parking sensors
- High-level brake light
- Compartment for two 13kg gas bottles with butane/propane regulator and propane hose
- Built in Wi-Fi via boosted 4G/3G signal, includes 12GB/12 month SIM
- Full length roll out Thule 8000 series recessed awning
- Integrated longitudinal roof bars
- External BBQ point
- External cold water shower point
- NEW external 230v socket
- Spare wheel stored in garage
- Heavy duty rear chassis members ready for optional towbar

LIVING AREA

- 2090mm interior height
- 'Darwin' soft furnishing scheme with scatter cushions and bolsters
- Decorative blind and flyscreen surrounds
- 'Aralie Sen' woodgrain with contemporary colouring and 'Oyster Grey' upper locker doors with stylish colour inlay
- Large lockers with aircraft style doors
- Chrome handles with push-button locks on overhead locker doors
- Moulded over-cab storage compartments with 'Skyview' opening sunroof (635 low-line)
- Ergonomically shaped rear travelling seats with safety frame supports and Isofix (min 2 x positions per vehicle)
- Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (635, 650 & 675)
- Two forward facing and two rear facing travelling seats (649)
- Lap and diagonal seat belts on all designated passenger seats
- Exclusive Duvalay Duvalite Apollo Luxe mattress containing Freshtec – a market leading high spec foam offering maximum airflow for a cool, comfortable good night's sleep
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Decorative bed and locker ends
- NEW improved wardrobe space (625 & 650)
- Integrated one-piece stylish step feature for rear bed (635 & 675)
- Removable aluminium ladder to the over-cab bed in high-line models
- Lounge seat and bed tops with sprung support for easy access
- Moulded seat backrest ventilation boards
- Freestanding table with dedicated storage (model dependent)

- Freestanding table for rear lounge with dedicated storage location (649 only)
- Travel lock for TV brackets where applicable
- Black branded speakers
- Domestic style mortice locks on wardrobe doors (model specific)
- Pleated cassette blinds with flyscreens on all windows
- Concertina action door flyscreen
- Chrome entrance doorway grab-handle with LED lights
- Midi-Heki rooflight with flynet and adjustable blinds integrated into rear moulded sunroof surround
- Rooflight with pleated flyscreen and blind in front lounge
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Removable stepwell mat
- Smoke alarm
- Carbon monoxide alarm

KITCHEN

- 'Oyster Grey' kitchen cabinets
- 177 litre dual hinged Dometic RM10 automatic energy selection fridge/freezer
- Thetford thermostatic oven with electronic ignition, dual fuel hob with glass lid safety cut-out feature, 1x 800W electric hotplate and 3 gas burners with electronic ignition, and separate grill
- Built-in microwave oven with digital controls in stainless steel surround
- Integrated kitchen extractor fan with light
- Corian® linen natural acrylic stone solid kitchen work surface
- Stainless steel underslung sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect kitchen mixer tap
- Printed acrylic splashback with illuminated aluminium feature extrusions
- Pull-out storage baskets
- Soft-close drawers with premium Quadro 4D runners for smoother operation
- Rooflight with flyscreen and blind above kitchen

WASHROOM

- Fully lined separate 'Thetis' shower cubicle (625, 635 & 649)
- 'Vellamo' shower cubicle with integrated shower door (650 & 675)
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Shower bi-fold door retained on track for improved access (625, 635 & 649)
- 32mm thick entrance door with decorative inlay, domestic style mortice lock and handle
- Vanity cupboard with built-in washbasin
- Vector chrome effect vanity mixer tap
- Overhead storage locker
- Thetford C260 swivel cassette toilet with electric flush and 18 litre wheeled tank
- Washroom radiator (domestic style towel radiator on 650)
- Rooflight with flyscreen
- Mini LED downlights

HEATING AND PLUMBING

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Zonal control of Alde heating
- Underfloor heating in seating areas
- En-route heat exchange utilising engine output to run radiators, providing cost free on road heating
- Truma 'Crash Sensor Mono' regulator for en-route use of heating and water heating
- 125 litre underfloor, insulated fresh water tank with level sensor
- 100 litre waste water tank with level sensor
- Large bore (28mm) rigid waste pipes insulated for winter use
- Winter Pack fitted as standard with fresh and waste water tank heaters with en-route heating function, underfloor waste pipe insulation, fridge vent covers, electronic drain valves with insulated covers and insulated stepwell
- Pressurised fresh water system with self-priming pump and accumulator
- 12V exterior power point for pump filling of water tank (pump not supplied)

ELECTRICAL

- Exclusive Swift Command control system with large 7" LCD colour touchscreen panel with improved user interface and functionality featuring;
 - o Simple controls for monitoring and managing:
 - Power
 - Battery selection, battery level meter and power usage
 - 230V AC load limiter (settable between 5 amps & 16 amps)
 - Solar panel charging levels (where fitted)
 - Heating control of Alde system
 - Environment monitoring with internal and external temperature and internal humidity levels
 - Lighting control
 - Water system controls, tank levels and control of tank drain valves
 - Air-conditioning compatible with Dometic and Truma (dealer fit option, model specific)
 - Fridge control via CI-BUS connection
 - o Pre-installed Swift Command Tracker, a Thatcham Category S7 approved pro-active tracker (subject to annual subscription)
 - Swift Command app enabling you to manage and monitor key vehicle functions from your mobile device including power, heating and selected lighting:
 - o Incorporates a simpler connectivity selection:
 - Bluetooth connectivity when with the vehicle
 - Wi-Fi / GSM connectivity when away from the vehicle (subject to network coverage)
 - o Includes the useful 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club and Swift dealership locations
 - Two fully sealed, long life, 100 Amp-hour (Dir 2006/66/EC) leisure batteries
 - Minimum of 10 mains 230V chrome sockets (including two in cab area and one in the garage where applicable)
 - 12V socket for rear passenger seats
 - Dedicated USB points
 - Dedicated cupboard space for satellite decoder with mains 230V socket
 - Two TV stations, at least one suitable for 19" TV
 - Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, combi-boiler and battery charger/transformer
 - 25 Amp/300W charger/transformer for leisure batteries
 - Ultra-low energy LED lighting system:
 - o Spotlights with downlights
 - o Strip lighting over lockers
 - o Lighting in underfloor storage trays
 - o Low-level night lights
 - o Dimmable interior lights
 - Wardrobe light
 - Illuminated lower locker profile
 - Bi-colour LED strip lighting in over-cab bed area (highline models only)
 - 120W solar panel
 - Status 570 TV aerial
 - Roof and cable preparation for air con and satellite dish installation (dealer fit options)
 - 25 metre mains hook-up cable

Rear Nearside Single	193cm x 81m / 6'4" x 2'8"			
Rear Offside Single	193cm x 81m / 6'4" x 2'8"			
Overcab Bed	190cm x 134cm / 6'3" x 4'5"			

GENERAL TECHNICAL NOTES

1. The Maximum User Payload includes:

- a) The conventional load (this is the allowance for passengers)
- b) Essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
- c) Optional equipment (items available from the manufacturer over and above the standard specification)
- d) Personal effects (those items not covered by the above)

2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.

3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.

4. Warning - under no circumstances should the maximum technical permissible laden mass of this motorhome be exceeded.

* The maximum trailer nose weight is limited to 40kg.

From the first drawing right through to the moment you take the keys, each Swift leisure vehicle is built with love.

Every stage of the manufacturing process is completed with the greatest care and attention to detail, with the knowledge, experience and heart of generations of craftsmanship showing in all components. This, coupled with state-of-the-art technologies, allows Swift to deliver the highest standards of construction.

We undertake one of the most extensive research and testing programmes in the industry, and deploy innovations designed to help make your holidays comfortable and hassle-free. From our revolutionary SMART and SMART 3 technology to hardwearing interiors, Swift leisure vehicles are built to last.
