## EVERYDAY TO EVERYWAY

The Swift Monza is your ultimate everyday getaway.

Commuting, school running, out shopping or island hopping the Hebrides, whichever way you wander, escape the everyday with Monza and discover a world of possibilities.

### PERFORMING TO PITCHING

Compact in stature, Monza is mighty. Built with a Ford Tourneo Custom, on a 130PS 2.0TDCi Ford EcoBlue stop/start engine and loaded with 360NM of torque, it delivers performance without compromise whether you're on big adventures, or simply carrying big loads.

And when you reach your destination, its family car footprint means it can easily fit on your home driveway, standard parking spaces and smaller campsite pitches.

**SUBSTANCE TO STYLE**

Designed to impress, Monza is the perfect fusion for an all-purpose vehicle: reassuringly Ford with an interior design crafted by Swift, the UK's leisure vehicle experts.

Define your travelling style with a choice of four eye-catching exterior colours with Magnetic Grey Metallic as standard, and a choice of two interior design schemes.

## DRIVING TO DINING

Journeys are all part of the adventure – and with desirable features such as alloy wheels, reversing sensors and a cab packed with comfort and technology, Monza ensures every journey is filled with joy.

When it's time for a bite to eat, Monza is ready for action. Whether you're rustling up tasty snacks or hearty meals the two burner gas hob, 42 litre drawer fridge, external BBQ point and even the optional Dometic mini grill, means your choice of meal is only as limited as your imagination.

## RELAXING TO RECLINING

When you're ready to unwind, swivel round the driver and passenger seats to transform Monza into a social, comfy space; push back the rock 'n' roll seats for plenty of lounging leg room and push up the gas assisted pop up roof for even more headroom.

As the night draws in, quickly convert your set-up into a cosy night retreat. The rock 'n' roll passenger seats fold flat with no gaps to create a comfortable double bed, while the pop up tent with folding bunk ladder creates a second double bedroom with a gateway to the stars.

## CLEANSING TO CHARGING

Equipped to be fully self-contained, Monza continues to prove itself as a versatile vehicle and the ultimate travel companion. Packed with the unexpected, Monza is even equipped with an external shower as well as a portable toilet, which is hidden in a dedicated storage cupboard.

Making travelling life simple, Monza is fitted with an easy-to-use control panel for managing all on-board utilities including electrics, water and heating. It also hosts two USB sockets, ideal for charging devices and a 230V socket, perfect for kitchen electricals.

## STORAGE TO SAVING

Making every inch count, ingenious space-saving design ensures there's still plenty of storage solutions for day-to-day use and holiday essentials - from a generous boot and rear cupboard to a wardrobe, pull-out kitchen shelf rack and under-seat storage.

There's even a 100W solar panel so you can save up energy to keep the fridge running and your electricals topped up for off-grid adventures.

## TECHNICAL SUMMARY

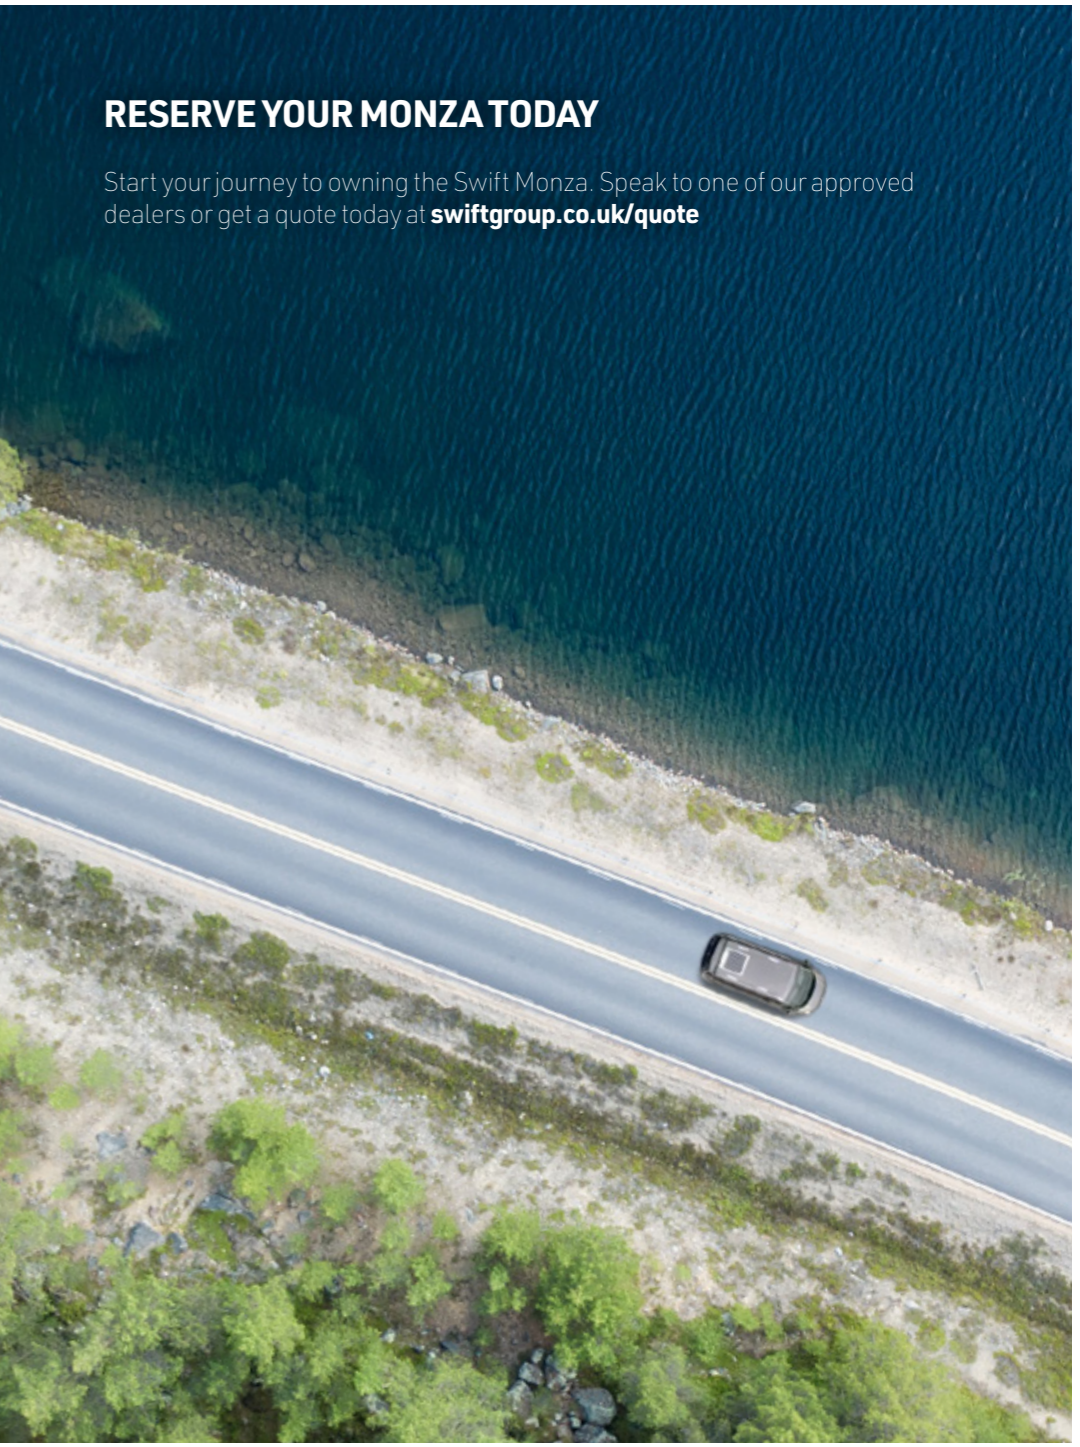

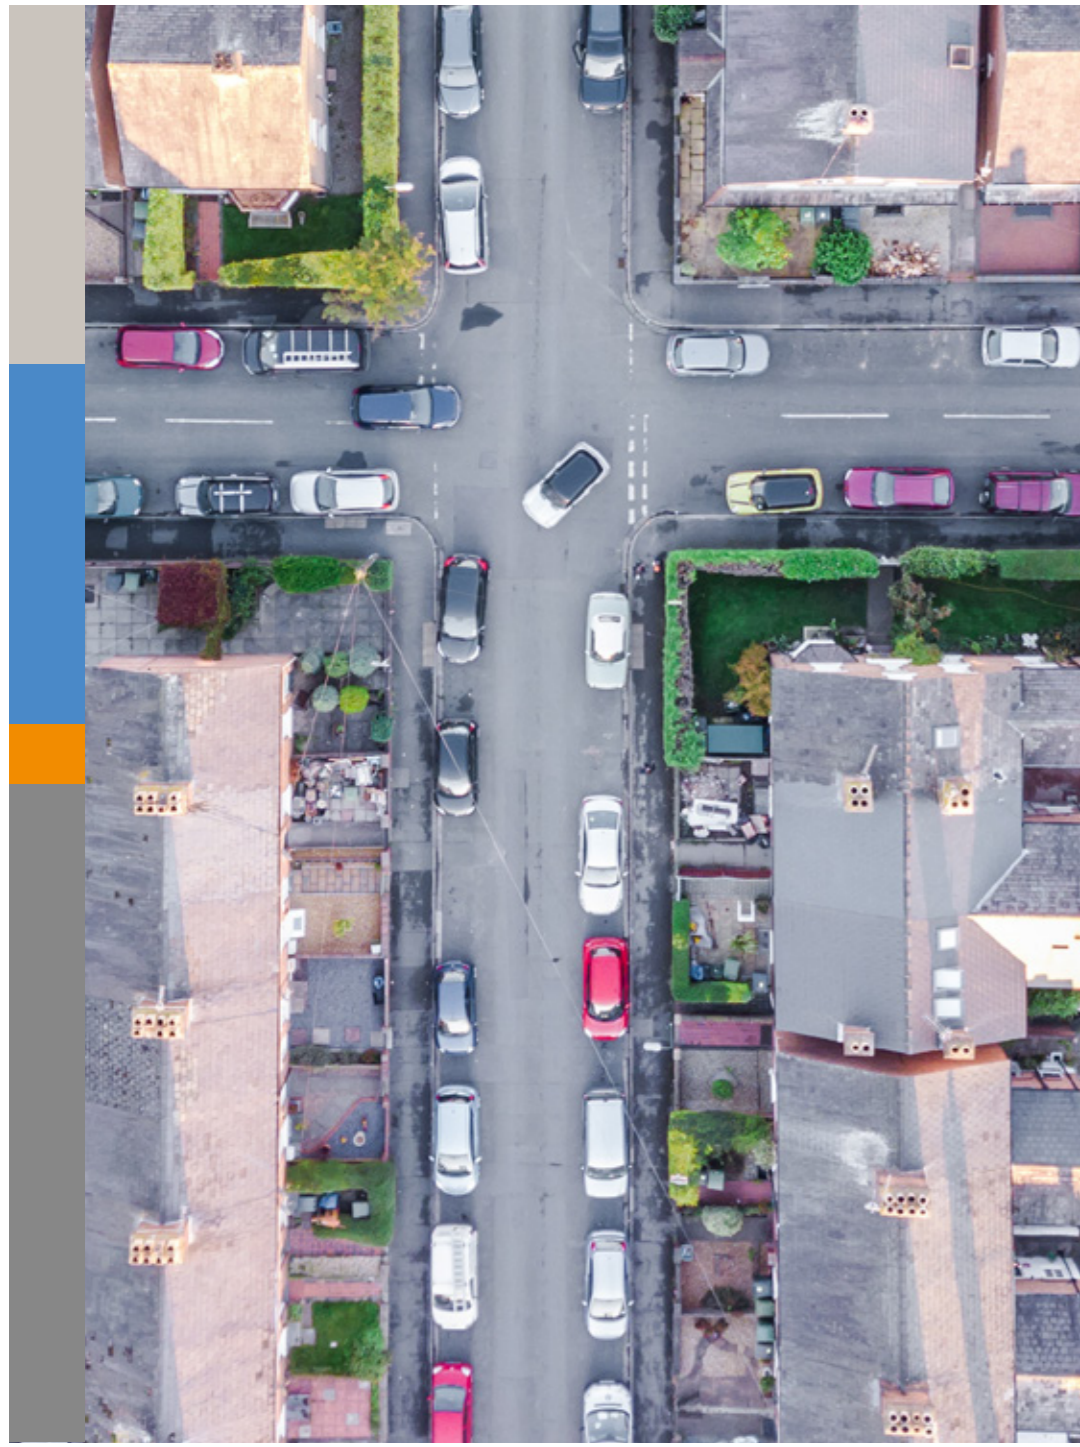

### NOTES

- The maximum user payload includes:
  - a) conventional load (this is the allowance for passengers)
  - b) essential habitation equipment (items of fluids required for safe and proper functioning of habitation equipment)
  - c) optional equipment (items available from the manufacturer over and above the standard specification)
  - d) personal effects (those items not affected by the above).
- The mass in running order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank and 1 x 6kg calor lite lpg cylinder.
- The mass in running order is calculated with the fresh water tank and water heater empty. If you travel with water in the fresh water tank or water heater then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. Passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboats, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

### UNDER YOUR OWN BLUE SKY

Take me to a place that I call Here,  
Hold me in a time that I call This  
The air is clean, the light is clear  
And now an outdoor kind of bliss  
Draws me to a spot I really love;  
The door wide open, the kettle on,  
A family that fits me like a glove.

A moment's pause for those who've gone  
Who still remain in the mind and heart.

And now, under our very own blue sky  
The rest of our lives can slowly start  
And our spirits can begin to fly  
With memories of where we've been,  
Those mornings we have yet to know  
Those brand new vistas all unseen.  
Love life, I say. And now, let's go!
